

## Tuition Discount Guidelines: January 1 - June 30, 2021

Through the generosity of our donors, El Grupo Youth Cycling is able to offer full tuition discounts for qualified families. El Grupo’s philosophy is that no rider will be turned away due to an inability to pay as long as El Grupo has the resources available to provide assistance. Riders and their families paying full tuition cover approximately 20% of the actual cost of providing our programs. The remaining 80% is provided primarily through individual contributions from donors, corporate sponsorships, and grant funding.

This chart will help you determine if your child or children may be eligible for a tuition discount. If your family qualifies, please submit the first page of your federal income tax form (showing adjusted gross income) to [Karen Childress](#) at El Grupo. This information is kept private. Please call us at 520-429-6138 if you have questions.
